O R D E R:

It has been represented to the Government considerable hardship is caused to the forest contrators at present by refusal of voidahs for contracts absolutely, though the longstanding practice was otherwise. The Chief Conservator of Forests is informed that he may grant voidah for contracts that close with the end of November 1948 for some short period if the D.F.O or Conservator concerned recommends it and if the Chief Conservator of Forests thinks that the case deserves consideration.
